# Yacht Equity: 56ft Charter Catamaran

The Marquise 56' was Fountaine Pajot's flagship catamaran and was beautifully built with typical French flare and class!

Our 56ft catamaran Yacht Equity is the biggest, most luxurious yacht in Zanzibar and is now available for day charter trips and excursions around Zanzibar.

She has a huge interior saloon lounge and 10-seater outside dining table and lots and lots of deck space.

Her large galley and outside BBQ gives us all the space and facilities we need to prepare sumptuous snacks and meals on board.

The forward trampoline area is a comfortable place to relax, with various cushions, soft chairs and bean bags. A gazebo (sun awning) can be erected over the forward trampoline area to provide shade from the hot African sun.

She is kitted out with fishing gear, snorkel gear, kayaks and stand-up paddle boards.

She can cater for a range of experiences from romantic cruises to full moon yacht parties and everything in between.

She also has 4 double ensuite cabins for guests use during the day or on overnight charters and excursions!

She is ready to offer a top notch charter experience in Zanzibar!
